First National Bank of Shiner
Recognized by DepositAccounts.com in 2020 Top 200 Healthiest Banks in America

Charlotte, N.C., 4/24/2020 — DepositAccounts.com, a subsidiary of LendingTree, has released its list of the 2020 Top 200 Healthiest Banks in America.

DepositAccounts.com evaluates the financial health of over 10,000 banks and credit unions in the United States once per quarter. To determine bank ranking and recognition, DepositAccounts.com grades each institution on a number of factors, including capitalization, deposit growth, and loan-to-reserve ratios.

“We believe it is important to give consumers a way to evaluate the financial health of their institutions,” said Ken Tumin, founder of DepositAccounts.com. “Our list empowers consumers to make informed decisions when selecting a financial institution.”

About DepositAccounts.com
DepositAccounts.com is the largest and most comprehensive online publication in the U.S. dedicated to banking and deposits product information for consumers. It covers every federally insured bank and credit union and utilizes its patented technology to track approximately 275,000 consumer deposit rates, each updated nightly. The site features more than 11,000 editorial articles detailing depository strategies and highlighting current bank rates and offers. It is also home to one of the largest communities of depositors on the Web, hosting more than 100,000 comments, customer reviews, and forum threads.

It is an honor to have First National Bank of Shiner recognized as #96 of the healthiest banks in America; being part of this list shows First National Bank of Shiner’s commitment to the community and to providing excellent service.
